USER PROFILE - INFO

User profile can be opened by **OPR 14**

USER PROFILE - EDIT

User profile can be opened by **OPR14**

The image shows a mobile application screen titled "Profile" with a search icon. Below the title are tabs for "INFO", "EDIT", "Activity", and "Rewards". The "EDIT" tab is selected. The screen displays a user profile form with the following fields: "First & Last Name", "Country" (dropdown), "State" (dropdown), "ADDRESS", "PIN CODE", "Email ID", "Mobile Number", and "DOB - DD-MM-YYYY". There are two buttons at the top: "Change Photo" and "Change Password". A "Save" button is at the bottom. A red message "Validation / successfully update message" is displayed below the form. Annotations point to various elements: OPR 15 points to the top status bar; OPR 2 points to the search icon; OPR 17 points to the "Change Photo" button; OPR 18 points to the "Change Password" button; and OPR 19 points to the "Save" button. A bracket groups the form fields with a note about validation.

OPR 15

OPR 2

OPR 17- Tapping this button will pop out screen (SRN06) where user can take or upload photo from phone camera app or the phone gallery respectively.

SRN06

Note : In current only this is the active area, rest of the screen is passive.

USER PROFILE - UPDATE PASSWORD

User upload image can be opened by **OPR 18**

The screenshot shows a mobile application interface. At the top, there's a 'Profile' header with a back arrow and a search icon. Below it are tabs: 'INFO', 'EDIT', 'Activity', and 'Rewards'. The 'EDIT' tab is active. A modal titled 'Change Password' is open, featuring three input fields: 'Current Password', 'New Password', and 'New Password Again'. Each field has a green checkmark to its right. Below the inputs is a red text label 'Validation / successfully update message'. An 'Update' button is positioned below the label. At the bottom of the modal, there are labels for 'Email ID' and 'Mobile Number'. A 'Save' button is located at the bottom of the entire screen. A blue box highlights the modal area, and a blue arrow points from the label 'SRN07' to the bottom of the modal.

SRN07

OPR 24 - Tapping this button will cancel the update password task and the user will be redirected to screen SRN05 from where upload task was initiated.

User must validate the required inputs by providing the mentioned inputs

This label will show the validation error(if any) or password update messages.

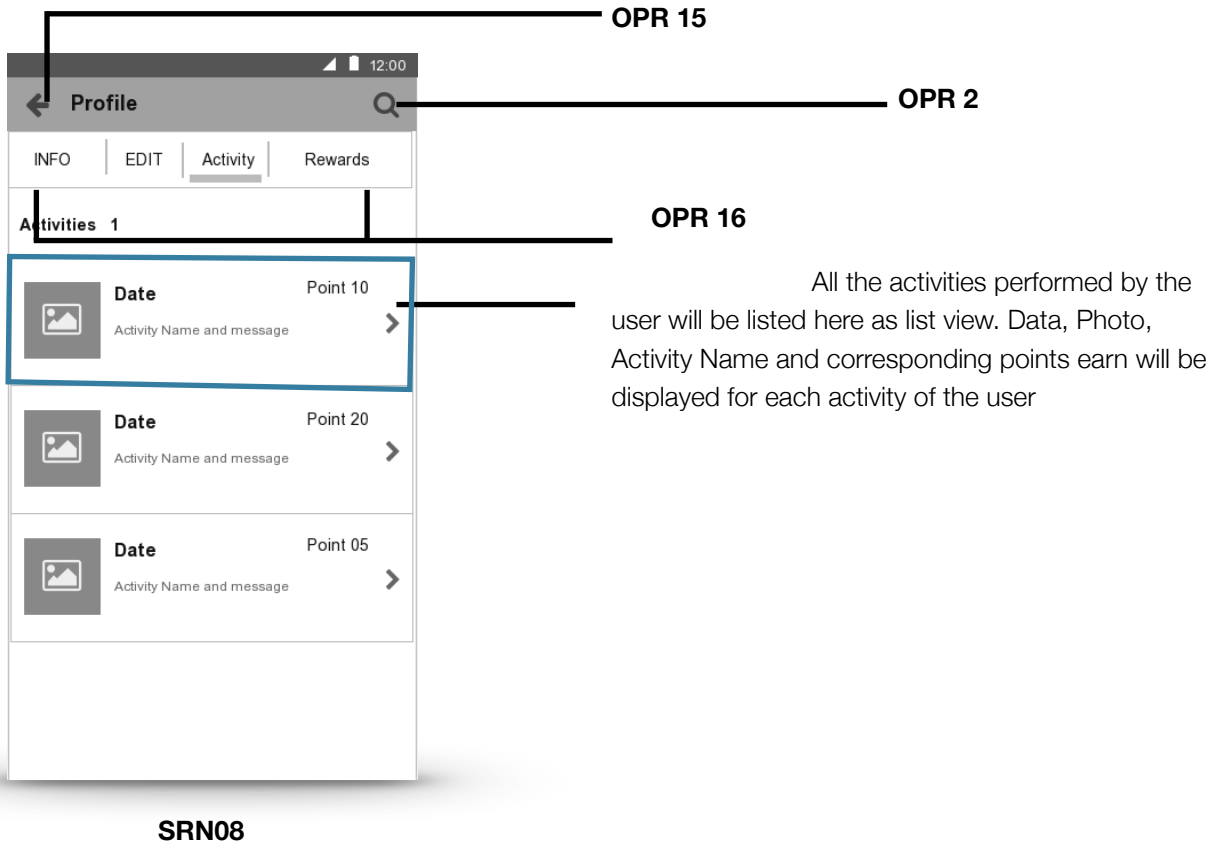

OPR 25 - Tapping this button will update the password in to db server or give validation errors (if any)

Note : In current only this is the active area, rest of the screen is passive.
